CERTIFICATE

IK Initiative „Zero Pellet Loss“

undertakes in the framework of self-disclosure

- to create the requisite technical and organisational framework in its operations in order to avoid the spillage of pellet and to ensure that any pellet spilt is not released into the environment,
- to provide training to its employees in the prevention and, should the situation arise, effective elimination of plastic pellet spillage and
- to review the effectiveness of these measures at regular intervals.

The requirements of this certificate shall be reviewed every two years.
